I am a User Experience Designer who puts people first. With a background in graphic design and years of teaching experience, I am no stranger to problem solving. I love to make meaningful experiences and hopefully can make the world a better and happier place. I also enjoy drawing, practicing Japanese, and I have an unhealthy addiction to denim.

EXPERIENCE

ENGLISH TEACHER

Ibaraki, Saitama and Tokyo, Japan 4.2006 - 3.2008 / 4.2011 - 3.2016
Taught English and about different cultures in a total of 22 different elementary and junior high schools. I created classroom materials, presentations, and activities for classes.
