BLAIR + THE DESIGNER

BLAIR WARNER

blairthedesigner.com
blairthedesigner@gmail.com

I am a User Experience Designer who puts people first. With a background in graphic design and years of teaching experience, I am no stranger to problem solving. I love to make meaningful experiences and hope to make people's lives a little better. I also enjoy drawing, practicing Japanese, and I have an unhealthy addiction to denim.

EXPERIENCE

INSTRUCTIONAL ASSISTANT (UX DESIGN)

General Assembly - Seattle. WA 11.2016 - present
Assisting Instructors with curriculum creation, lesson planning, and student evaluations. Planning of cross-functional hackathon.

FREELANCE USER EXPERIENCE DESIGNER

OrbSense, Technologies LLC - Seattle. WA 8.2016 - 9.2016
Worked with stakeholders on a three week sprint for the development of a mobile application. Conducted research and interviewed potential users. Worked with a design team to create two iterations of the prototype app and conducted usability testing on each version.
